The U.S. Department of Agriculture (USDA) invites offer to sell Chicken Fajita Products pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. Bids are due by 01:00 pm CT on May 14, 2025. Acceptances will be announced by 5:00 pm CT on May 21, 2025.

Deliveries are to be made between July 1, 2025, through June 30, 2026.

The Contract Specialist for this solicitation is Kevin Day; Kevin.Day@USDA.gov and the Contracting Officer is Carrie Meyers; Carrie.Meyers@USDA.gov. Any questions or concerns regarding this solicitation should be addressed to the specialist first.

Please review all Solicitation documents attached to this solicitation. Solicitation attachments are incorporated by reference into the contract.

#### Basis for Offers/Awards

Offerors are to bid a single fixed price per state/territory for chicken fajita strip product. States/territories will be awarded to a single offeror in accordance with FAR Part 14 Procedures. The award will be made based on the lowest overall cost to the Government given offeror capacity constraints. In the event of capacity constraint limitations, the Government reserves the right to make multiple awards under this solicitation. Successful offerors will be issued monthly delivery orders, 45 days prior to the delivery period, outlining specific delivery information including delivery period, quantity, and delivery location information. Offerors may submit offers for less than the quantities indicated.

This solicitation is 50% Partial Small Business Set Aside. See FAR 52.219-7 Notice of Partial Small Business Set Aside. NAICS Code 311615.

This solicitation is ten percent (10%) Service Disabled Veteran Owned Small Business Set Aside.

Capacity must be entered in full truckloads and the number of stops will be limited to a maximum of three.

For a new-to-USDA contractor and existing contractors bidding on new products, a probationary period will be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the city and state for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Offshore destination ports: Guam (O-LA; Los Angeles, CA), Hawaii (O-LA; Los Angeles, CA), Puerto Rico (O-JACK; Jacksonville, FL) and Virgin Island (O-PEVE; Port Everglades, FL).

Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include 52.222-25, Affirmative Action Compliance, and paragraph (d) of 52.212-3, Offeror Representations and Certifications-Commercial Products and Commercial Services. Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

The Government reserves the right to reject, in total or in part, manufacturers# lots, sub-lots, production dates or the like when non-conforming product is identified.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, must submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures.
