

Instructions for Completion of the Application for Service covering the Export of Further Processed Eggs and Egg Products

- **General Instructions for Worksheet**

The certificate must be completed in a legible manner (typed preferably).

1. **Consignor/Exporter:** Name and address (street, town and region/province/state, as applicable) of the natural or legal person or entity arranging shipment of the consignment.
2. **Producer/Manufacturer:** Name and address of the natural or legal person or entity that has produced the consignment.
3. **Point of Contact:** A company representative identified to serve as the point of contact.
4. **Telephone:** Identify the phone number for the designated representative for the exporting company.
5. **Fax number:** Identify the number for receipt of a facsimile transmission.
6. **Contact email:** Email address for correspondence with designated company contact.
7. **Name of Product (include description):** Commercial name of product (not brand name) with specific description of the individual product(s) providing the egg component(s), ingredients of animal origin, and non-egg ingredients. Include the applicable harmonized schedule code.
8. **Country of Destination:** name of the country of destination of the product. Include the ISO 3166 two digit country code.
